

If you wanna make the world a better place.

Take a look at yourself, and then make a change.

I'm searching for the world that I come from.

Look within your heart.

You're one of us, we're sendin' out a major love,
and this is one message to you.

The planets are lining up bringin' brighter days.

They're all in line waitin' for you sho'ly
it's love.

You're just another part of me.
